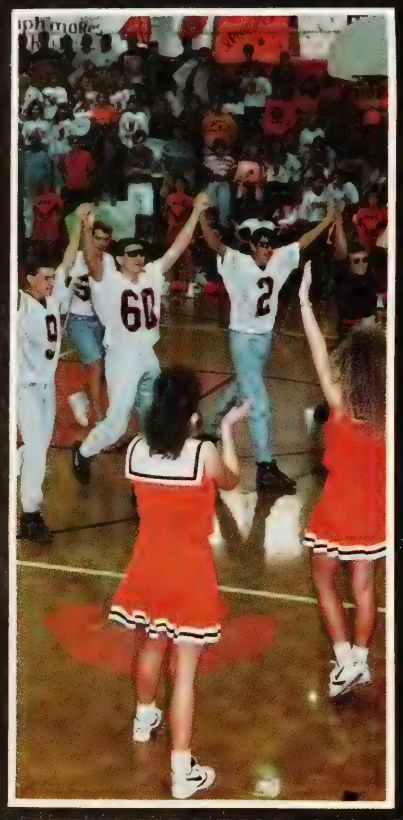
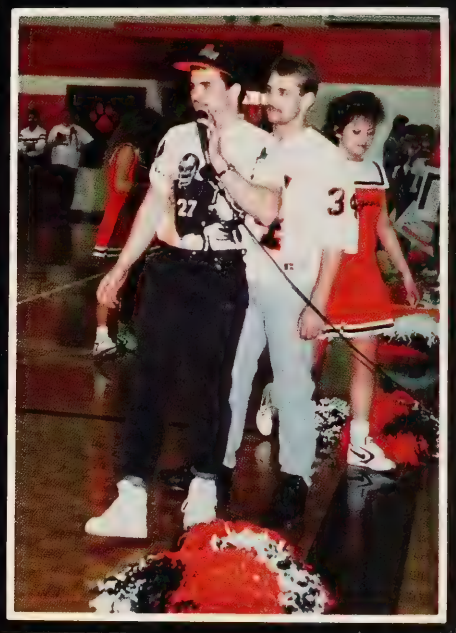
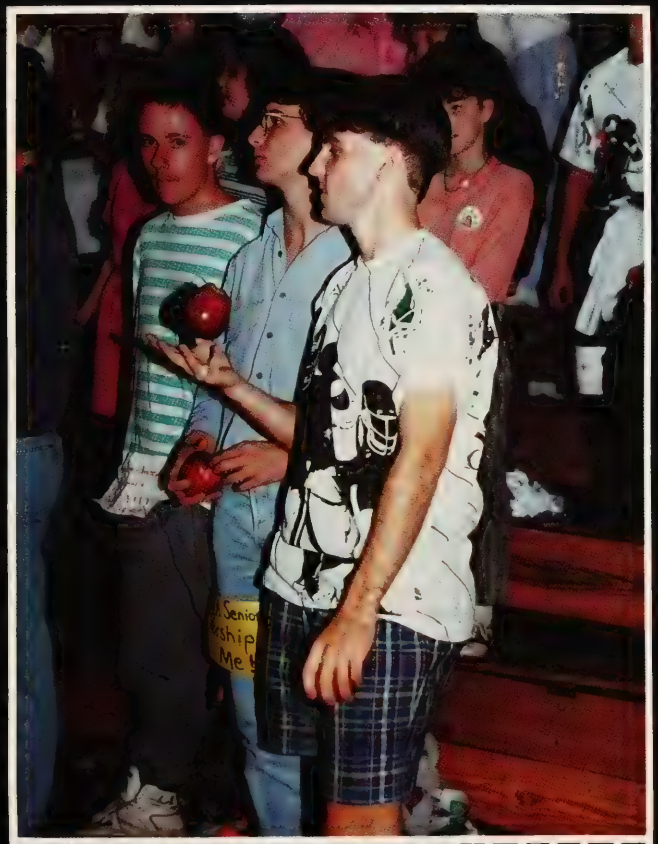
P





ep Rally



The 1992 Homecoming Pep Rally boosted spirits to new heights for the players, as students showed their outstanding support for their football team.

The cheerleaders showed their stuff by doing routines that showed their skill and expertise.

Students laughed and cheered as they watched the football players as they raced down the court on their knees pushing rolls of toilet paper with their noses, other games were played, such as the football carry, which took much cooperation between the participants.

This year's Pep Rally kicked off a successful homecoming.

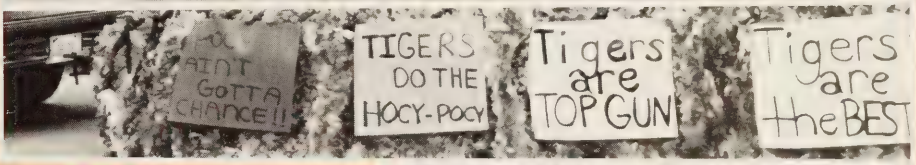
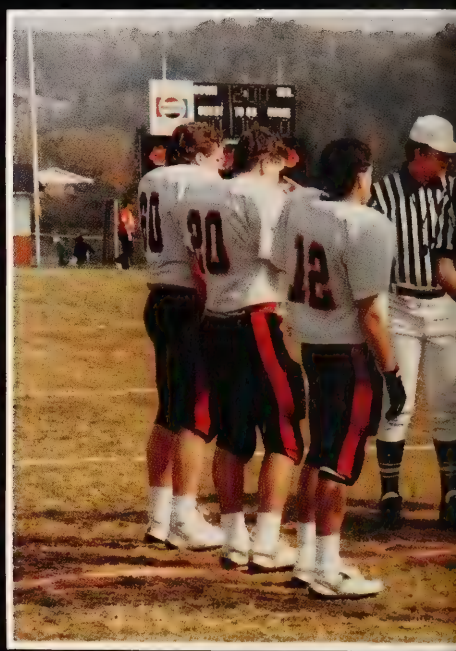
Parade!

TIGERS



This was the first year the Homecoming parade and game were both on Saturday. The day was October 24, 1992, and it was chilly and overcast with threats of rain in the forecast. The parade started at 10:30, and consisted of 4 floats: FCA, Junior Float, which had the Homecoming attendants on it, and SCA Floats. The Football players and coaches, were the marshalls of the parade. Beauty pageant winners and clubs were also represented.

The



Fans attending the first Saturday Homecoming at HHS were treated to a special entrance by the Tiger Team. Instead of coming out of the Locker Room, they came rushing down the hill to fill the crowd with enthusiasm and spirit. This attitude was reflected in the winning score 24-15. This was the icing on the cake of a successful Homecoming.

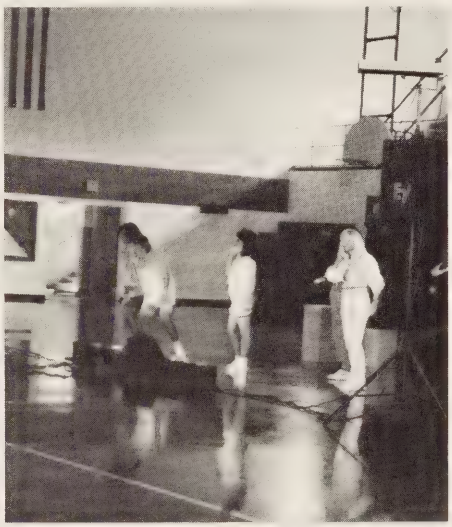
Say No To Drugs And Alcohol



Students of all grade levels in Russell County were challenged by a drug and alcohol prevention program this year. The actors traveled nation wide presenting their upbeat, informative program on the effects of drugs and alcohol, and how individuals can help stop their use in their own schools and community. All students, from kindergarten to seniors, received a message from the program.

The Nationwide® Insurance
PROM PROMISE℠

The Grimreaper comes to Honaker High.

The Prom Promise committee and teachers show off their hats.

The Prom Promise committee listen to the president of Prom Promise in the state of Virginia.

The Prom Promise sponsors try to find out what is going on.

On Friday the school had a mock funeral to let everyone know what it would be like to have a friend killed by a drunken driver.

Teachers, students, and parents work hard to get the red ribbons on cards to give to the student body.

Sam Whited, our Nationwide Insurance agent wants to make sure Honaker has an accident free prom night.

The Prom Promise director for the state of Virginia gives directions on how to prepare for the Prom Promise scrap book.

Thanks to these three wonderful sponsors, this year's Prom Promise was a huge success. Sometimes things didn't go as smoothly as they should, but everything turned out GREAT! Thanks: Tara Sparks, Eric Short, Laura Gaye Fields, Becky Shepard, James Fletcher, Greg Stinson.

1993 Miss H.H.S.

AD Biology

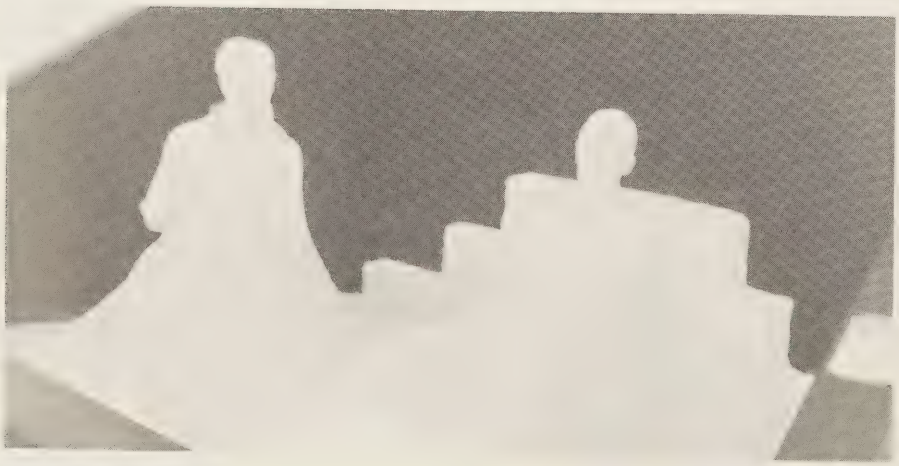
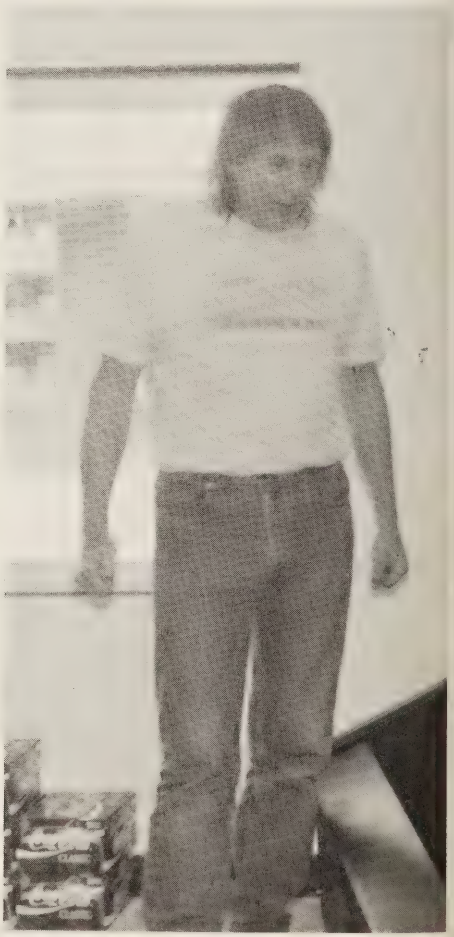
THE SHINER By Dwight Jackson

This year Honaker High School art students were once again privileged to see the art work of Dwight Jackson. To all of those that live in Honaker, Dwight is a familiar figure. For many years he worked as a brick mason but now devotes most of his time to his art career. He is well known in this area for sketches of the town and its people. He is now known in Southwest Virginia and upper east Tennessee for the sand sculptures. The "Shiner" is one of many sculptures done for various festivals and events. Viewers are overwhelmed by the work.

Dwight loves to tell all about his work and give details.



Proud Dwight looks over his wonderful work.



The Shiner took around 77 hours to finish. This was working at intervals.

The Artist: Bill Bledsoe

Mr. Bill Bledsoe, an artist from Jonesboro, Tennessee, came to Honaker High School to teach a special art class for select art students. Mostly he worked with chalk and charcoal. Everyone enjoyed the classes and Mr. Bledsoe too.

Mr. Bledsoe shows the students how and what to draw.

Next he tells what they have done wrong or right.

After all is said and done, he really likes the pictures.

Ready To Rumble

The Honaker Varsity Football squad set out on a quest to claim the Black Diamond District in '92. Although the Tigers came short of their anticipated goal, the Tigers used their Senior experience as well as their excellent underclassmen talent to boost them to new heights in the fierce district competition. Coach Hubbard's offensive line showed great improvement and had the BDD offensive lineman of the year, Brian Miller. Also, Honaker was blessed with two of the best running backs in SouthWest Virginia, Rodney Staten and Rodney Miller. Staten's agility and stamina enabled him to exceed the 1000 yard marker at the close of the season. The Tiger's boasted enormous victories over new-comers Whitewood and Council. The Tiger Coaching Staff has high expectations for their team in the years to come.

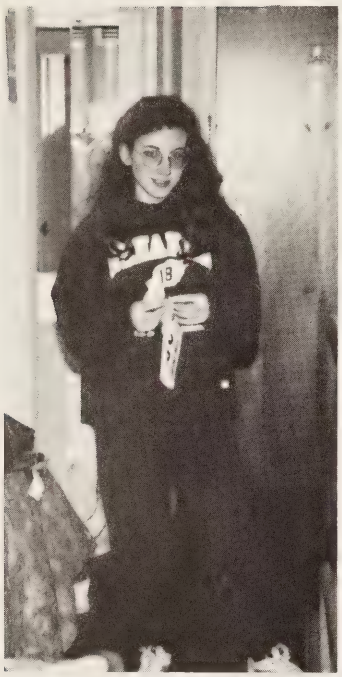
Cross Country



The Honaker High School Cross Country team had a very eventful and productive season.

These athletes dedicated themselves fully to their long distance training. A distance of four miles was ran daily in order to prepare for the 3.1 miles ran in competition.

Under the direction of first time coach, Mrs. Christy Honaker, and Lady Tigers ran away with first place in the Black Diamond District, second place in Regional competition, and finished in the top ten finishers at the State competition. The Boys Cross Country team finished third in the BDD, they came away with fifth in Regionals which, unfortunately didn't allow them to advance to State.

Four seniors will be graduating this year. We hope the running shoes of Crystal, Diane, Ginger, and Jamie C. can be filled.

Keep up the good work! And good luck next season!

Girls Varsity Basketball

The Girls Varsity Basketball team had an amazing third consecutive winning season under the direction of Coach Gordon Johnson.

Their diligence paid off in the first Black Diamond District championship since the 1960's. They then advanced to the second round of regional play for the second time in the last three years.

Diligence and Dedication were shown by the team as they took two weeks of their summer vacation to attend basketball camps which improved their abilities.

Teamwork, also, is always a main factor when striving for a winning season, and the team grasped that concept perfectly, and they worked well with one another.

Though we will be sorry to lose three of our seniors, who were starters. We are happy that our returning players have the ability to follow in Jody, Mel, and Michelle's footsteps.

We would like to commend the Girls Varsity Basketball team for their outstandingly successful season. Good luck, next season ladies!

The boys basketball season was one of excitement and enjoyable basketball. The Tigers achieved their 1st win of the season over cross county rival, Lebanon. The Tigers were able to accomplish a 6-6 district record to finish 4th for the year. The season victory over Richlands was an exciting win for the home town as they led the entire game.
